Dear Harold,

Congratulations on Frame-up, a masterful book and the best written of the series. Doubleday has displayed it prominently.

I persuaded Stephen Kane, the producer of The Barnaby Show to set up an appearance but I do not know the status of the situation since Stephen was fired on 3/8.

Please call me at the office (679-0800 EXT. 213) if you come

to town and we'll have lunch.

I found the Anderson columns very significant.

Of course, you face a hostile media and the rate of its metastasizing flight toward absolute malignancy appears almost irreversible.

As an example, I enclose an article from The National Guardian. This story has been talked about for weeks but only "leftist" publications have carried it.

Nov. 22, 1963, was a coup d'état and we face its consequences each second.

Best Wishes,
